MEMORANDUM FOR: Chief, Administrative Staff, DDS&amp;T

FROM:

Chief, Executive and Planning Staff, FBIS

SUBJECT:

FBIS Overseas Security Requirements 

25X1

REFERENCE:

Your Note dated 3 September 1982, Subject:  
Overseas Security Requirements

1. FBIS has reviewed its security needs overseas; the estimated cost for these is \$128K. The first priority, totalling \$28K, is for emergency radio equipment to allow various bureaus to tie into embassy-controlled emergency radio needs. We feel that an additional \$100K should be allocated for physical security improvements: reinforced vaulted areas, augmented T.V. security, and increased local guard services.

2. I am attaching a copy of a 20 May 1982 memorandum from the Acting Director, FBIS to the DDS&T on FBIS' perceived security needs. You will note that that memorandum stresses the desirability of a guard force at the JPRS offices at 1000 N. Glebe Road, Arlington. You may wish to take this facility into consideration in looking at overall FBIS security needs.
